1. INTRODUCTION AND SCOPE

1.1 Overview. To ensure the integrity, legality, and security of its platform, BUYEASY TECHNOLOGY CO., LTD, a corporation incorporated under the Canada Business Corporations Act (together with its subsidiaries and affiliates, collectively "BUYEASY," "Mozes," "Company," "we," "us," or "our"), maintains this Prohibited Activities Policy ("Policy"). This Policy sets forth the types of businesses, transactions, jurisdictions, and activities that are prohibited or restricted on the Platform, including the website at https://mozes.io (the "Site"), mobile application (the "App"), and all services provided or facilitated thereby (collectively, the "Platform" or "Services").

1.2 Applicability. This Policy consolidates the restrictions applicable across all services to provide a comprehensive and unified compliance framework. Where a restriction applies to a specific service channel, it is noted accordingly.

This Policy is subject to change based on regulatory, legal, and operational requirements, including updates from international bodies such as the Financial Action Task Force (FATF), the U.S. Office of Foreign Assets Control (OFAC), the European Union, and other relevant regulatory authorities. We reserve the right to update this Policy at any time without prior notice.
